: : : : : (1) June 24th Game Night Coverage : : : : :

Our first official club meeting and game night at the World of Battle was held this past week on June 24th and we had 13 gamers turn out to meet and play.

After a brief chat to cover the club background and plans, everyone paired up and played the "First Blood" scenario from last year's "March of Death" campaign.

Altogether we had 12 gamers playing on 6 tables. After the "sanctioned" game, a couple of gamers even managed to get in an extra game before we adjourned for the evening.

We had one new member sign up and pay his annual dues and we're looking forward to more sign ups next month during our annual July membership drive.

If you missed the action this week, be sure to visit the World of Battle next Thursday, July 1st at 6:00pm to answer the call to WAR!!!

THANKS again to Sean Freyholtz & GW for supporting the MAWL!

: : : : : (2) Adeptus Memphis Info Center : : : : :

A new "info center" had been erected on the public bulletin board area at the World of Battle. A special Adeptus Memphis pamphlet holder is now located on the bulletin board. You can find copies of the Battle Lust eZine, the Adeptus Memphis Membership Application, the July Special Event Flyer and the 4th Edition Rules PDF in the info center.

Feel free to take as many copies as you need but please be sure to keep them with your game materials and don't let them litter the gaming area.

: : : (3) July Special Event: Mini of the Month : : : : :

During the month of July we will be running the "Mini of the Month" contest. This is a great opportunity to display your miniatures to the club and visitors to the World of Battle. Entry into the contest is FREE for members and guests can enter for \$1.

We will display the contestant minis from 6:00 until 6:30 while the club gathers and everyone in the bunker will have the opportunity to cast their vote for their favorite squad.

This month we'll feature TROOPS. In the coming months we will also hold the MotM contest for all the other choices from your force organization chart.

For more information about the contest, see the web site at <http://www.AdeptusMemphis.org>

: : : : (10) RANKS Program Under Construction : : : :
=====

Our club ranking program is currently under construction and the details on how it will work should be out soon. The plan is to track the "rank and experience points" each member obtains through various club activities and then award a "Badge of Rank" to be posted on the member's profile page on the Adeptus Memphis web site and the member's club membership card.

Each season the rank system will help members show their club spirit and wargaming experience by allowing them to advance through multiple levels of rank by attending club meetings, events and contributing to the overall success of the club through the web site, eZine, newsletter and other communication and teambuilding mechanisms.

Stay tuned for more info...

=====
That's it for this week. Keep your powder dry and I hope to see you all at the World of Battle Thursday night, July 1st at 6pm.
